

# WINTON ELEMENTARY

Jan. 18th,  
2024

## Message From The Principals:

Happy New Year! We are excited for all of the amazing learning and activities that will take place in 2024!

It is COLD! Please make sure your student (s) is coming to school dressed and ready for the elements. Snow boots, snow pants, and jackets are a requirement for students to go onto the field during the winter months. If you need assistance with any snow or winter items please contact your student's teacher or Ms. Bri in the office.

January, February, and March go by quickly when looking at the school calendar. Lots of learning happens within these three months and students really start putting together all the pieces of their learning during this time. Attendance is crucial for this to happen, especially with all the holiday breaks during these 3 months.

Thursday, January 25th is the last day of 1st semester. Teachers will be working on and completing report cards on Friday, January 26th. Most assessments will be occurring Monday, Jan. 22nd through Thursday, please make sure your student is at school each day so our teachers can be timely with report cards.

We have an open door policy and if you have any questions or concerns please come into the office to meet with us or send an email. Thank you to our Winton families for always being supportive of our teachers and students.

~ Eileen Blough & Kathleen Corbeill
