

Good Morning Bryan Families!

I know this has been a week of adjustment and uncertainty for many of our families. We have been in contact with our community based supports in effort to help families as much as possible. Here are some of the supports available to families:

- If your child is part of Bryan Elementary's Backpack Program, this support will be available to these students and families this Saturday, March 21st from 11:00-2:00 at the Boys and Girls Club. If your family receives support from this program, feel free to drive by Boys and Girls Club to pick up a box of food to help support over the weekend.

- If your student has been working with our Heritage Health Program, these students have the opportunity to continue with services at Heritage Health. Please contact Mr. Myers via email at imyers@cdaschools.org to learn how to access this service for your child who has been receiving this support already in school.

- All Bryan Families: If you are in an emergency situation in need of support, please email Mr. Myers to work with him in accessing support from our community partners.

Be safe Bryan Bears, and know that your school is here to help serve to the best of our ability!

Mr. Myers
