

Ramsey P.E. Shoe Policy

Ramsey is very proud of their gym and tries to keep it looking like new. We ask all kids who come to P.E. to wear different shoes than they wear to school or out on the playground. These do not have to be new; just an extra pair of tennis/sport shoes that they keep in their cubby that is used only for P.E.

We understand parents cannot buy several pairs of shoes for their child/children. Mrs. Burt has gently used tennis shoes that she does not mind lending out. If your child needs to use these shoes, Mrs. Burt will send a note home for the parent's signature for permission to do so.

Thank you so much for understanding and working to keep our gym in good condition!
