Washington, DC, and New York City Trip - 2024

To: Students and Parents,

I am excited to announce that Woodland Middle School students are traveling to Washington, DC & New York City, to engage in history and government firsthand. This learning program is a once in a lifetime opportunity for your child to experience the power of travel!

Throughout our experiential journey, students **will**:

- Explore the rich culture and heritage of our great nation
- Discover important national treasures such as Arlington National Cemetery, the Lincoln Memorial, the Empire State Building and the Statue of Liberty
- Gain a deeper understanding of how our history and citizenship impacted the shaping of America

I have chosen School Tours of America as our travel planner due to their decades of experience and outstanding safety record. Please see the STA TripSolutions, found on their website, that help schools and parents feel confident about the planning and touring process. Our tour is non-school sponsored. I will lead our group, along with other chaperones as needed. In addition, representatives from School Tours of America will be available throughout our entire trip.

Space is limited. Register online now at www.SchoolToursOfAmerica.com or complete the enclosed registration.
