Regarding Right to Receive Teacher Information

Notification to parents

September 2017

Dear Parent:

Federal law requires that each school district receiving Title 1 funds notify parents of each student attending any school receiving these funds that information regarding the professional qualifications of the child's classroom teacher(s) may be requested.

As a parent of a student attending a school receiving federal program funds, you have the right to know:

- Is my child's teacher licensed to teach the grades and subject(s) assigned?
- Is my child's teacher teaching with a provisional license, meaning the state has waived requirements for my child's teacher?
- What is the college major of my child's teacher?
- What degree or degrees does my child's teacher hold?

To request the state qualifications for your child's teacher or instructional aide, please contact Kelly Ostrom, Director of Human Resources at 208-664-8241.

If you would like more information about this school, please feel free to call the building principal.
