Thank you for your interest in attending Venture High School. At Venture, students participate in a learning environment where lessons and activities are relevant, kindness and respect are nurtured, and staff is committed to supporting students to success.

In addition to core subjects and other electives, students have an opportunity to take classes and earn certifications in Family and Consumer Sciences, Child Development, Technology, Manufacturing, Construction and Graphic Design/Print Technology. Our career counselor works with all students to help them prepare for occupations, job openings, and further education opportunities in colleges and universities. We emphasize community projects and many other alternative ways to learn academics and valuable life skills.

At Venture High School, academic competency is a top priority. Our teachers are dedicated professionals second to none. All are highly qualified and have received advanced training both in their subject areas and in working with young people facing challenging circumstances. Our smaller class sizes allow for more innovative, flexible, and supportive instruction and learning opportunities. To support student learning and success, our school promotes life skills, resiliency, responsibility, and accountability. We educate the whole person to promote independent, healthy choices for a lifetime of personal and academic success.

Please note the following:

Step 1: Complete this application

- Complete the Student Application
 - Fully respond to all parts of the application.
 - After completing the application please return to Venture High School front office.
 - Please allow time for your application to be processed. Once processed, we will call to set up an intake interview or discuss next steps.

Step 2: Intake Interview

- The Intake interview will be an hour-long and is designed to meet you and your parents/guardians. We will go over your application responses to help all of us decide together whether Venture High School is the right school for you.

Step 3: Orientation

- Once accepted, this process will help us set your schedule and goals. This may be part of the intake interview.

Over ----->

Please respond to the following:

1. Why are you interested in coming to Venture High School?

2. Describe some of your personal strengths that you will bring to Venture High School?

3. If you are accepted to Venture, describe two areas you need to improve upon in order to have a successful school year.

An at-risk youth is any secondary student, grades 6-12, who meets any three (3) of the following criteria in Column A, or any one (1) item in Column B. Check the appropriate items in both column A and B. Record the total for each column.

Column A		Column B	
	Has repeated at least one grade.		Has a documented or pattern of substance abuse.
	Has absenteeism that is greater than 10% during the preceding semester.		Is pregnant or a parent.
	Has an overall grade point average that is less than 1.5 (4.0 scale) prior to enrolling in an alternative secondary program.		Is an emancipated or unaccompanied youth.
	Has failed one or more academic subjects in the past year.		Is a previous dropout.
	Is below proficient, based on local criteria and/or state standardized tests.		Has serious personal, emotional, or medical issue(s).
	Is two or more credits per year behind the rate required to graduate or for grade promotion.		Has a court or agency referral.
	Has attended three (3) or more schools within the previous two (2) years, not including dual enrollment.		Demonstrates behavior that is detrimental to their academic progress.
	Total Column A		Total Column B
