

SET UP YOUR XELLO FAMILY PORTAL

WHAT IS XELLO?

Xello (pronounced Zello) is our district's college and career readiness software that helps develop each student's post-high school pathway to college or the workforce. Students engage in a variety of lessons and activities to develop a four-year plan, explore options, and complete collegiate applications.

USE XELLO TO SUPPORT YOUR STUDENT'S GOALS

Gain a deeper understanding of your student's interests, goals, and plans so you can support them along the way.

View your student's progress on lessons. These are assigned in grade level specific courses and are not expected to be completed independently at home.

In 8th grade and beyond, view your student's course planner where they will map out a draft of the courses they want to take all 4 years of high school.

TIMELINE OF ROLLOUT • WHAT STUDENTS WORK ON

During the time listed below for your student, based on their grade level, all parent/guardian emails listed in Skyward will receive an invitation to activate a parent portal. Watch your email for a newsletter link that will explain your steps in detail.

TIMELINE

12th Grade	11/15 - 11/19	8th Grade	1/10 - 1/14
11th Grade	11/29 - 12/3	7th Grade	1/18 - 1/21
10th Grade	12/6 - 12/10	6th Grade	1/24 - 1/28
9th Grade	12/13 - 12/17
