

## Free Developmental Screening

*For all children in Coeur d'Alene Public Schools  
Birth to five years old*

**By appointment only: Please call (208) 620-2031 to schedule.**

Sponsored by: Coeur d'Alene Public Schools (3-5 years old),  
North Idaho College Head Start (3-5 years old), Idaho Infant  
Toddler Program (Birth-2 years old) and Mountain States Early  
Head Start (Birth-2 years old)

**Screening will provide parents with information  
regarding their child's development in: self-help skills,  
social-emotional development, speech and language,  
fine and gross motor skills, academic concepts, and  
vision and hearing.**

**An outcome of the developmental screening could be  
the referral of your child for further testing, which  
could result in him or her being eligible to receive  
special education services at the CDA Early Learning  
Center.**
