A Message from the Principal

This year is a very special year for the Skyway Community. Skyway first opened its doors twenty years ago. Principal Pam Pratt was the founding principal. This 20 year anniversary brings us a special opportunity. We will define those traditions that make Skyway unique and we will begin to define new traditions to build a school of the future. There is much room for opportunity!

We enter this year with uncertainty. The 2020-2021 school year will definitely require flexibility as we proceed with a variety of learning platforms. The main priority will be the safety and health of each and every child, now more than ever. Our partnership between parents and the school will keep us strong. Our staff understands the challenges that lie ahead of us. The only way we can be successful is to maintain communication and allow ourselves grace to provide the best learning setting we can.

This year our staff will continue to grow our practice in the workshop model. We will also layer in the district learning continuum, the PEBC framework. This framework is important as it supports student choice, student agency, collaborative practice and inquiry. The Skyway staff will focus on three areas this year: workshop, discourse, and community. Since this is a K-12 continuum, our students will be well versed in the continuum once they leave.

Skyway is a large school. We have many children, but our staff prides itself in our ability to form relationships with each and every student. We encourage family connection and support. If you would like to help, we have many methods of support for you. Now more than ever, parent and school collaboration is so valuable. Let's work together and make this year memorable!

I believe open communication and an open door policy is necessary to support growing learners at school and at home. Please do not hesitate to email me jpeak@cdaschools.org, call the office (208-664-8998) or stop by any time.

Eagles Soar!

General Information

Coeur d'Alene School District Policy and Procedures

The following items may contain only portions of actual Board Policy. Complete policies can be found on the district website at www.cdaschools.org. Policies listed below may be subject to change due to current School Board policy review.

Nondiscrimination (Policy 3280)

The Coeur d'Alene School District complies with all applicable laws and does not discriminate on the basis of race, color, religion, sex, national origin, age (40 or older), genetic information, veteran status or disability in any educational programs or activities receiving federal financial assistance or in employ

Inquiries regarding compliance with this nondiscrimination policy may be directed to the Director of Special Services or Director of Human Resources at the District Administrative Center, 1400 N. Northwood Center Ct., Coeur d'Alene, Idaho 83814-2472, (208) 664-8241.

Enrollment (Policy 512/3001)

Prior to admission of a student, the parent/guardian is required to provide the following three (3) items: 1. Proof of residency (i.e. utility bill, lease agreement with current address); Verification of residency is required annually. 2. Up-to-date immunization records (Idaho state law states that children will not be permitted into school until their immunizations are current or parents have signed an exemption form) 3. Original state certified birth certificate (valid passport or notarized affidavit accepted). You have 30 days from the date the child enrolls to provide the birth certificate or we must report the failure to obtain a birth certificate to the Kootenai County Sheriff's Office.

Attendance (Policy 522/3040)

Regular attendance is essential for learning. This responsibility rests with the student and with the parent or guardian, and is basic in order to meet the instructional goals of District 271 and the Compulsory School Attendance Laws of the State of Idaho. The following procedures have been taken from policy 522/3040: Absences and Excuses Procedures 1. A student who is absent 10 or more days during a grading period may be referred to the Board of Trustees for determination as a habitual truant. 2. To ensure the safety of the student, it is required that parents/legal guardian contact/communicate to the school regarding each day or portion thereof that their child is absent; 8 3. If a student is to be out of school for an approved extended absence, it is the parent's/guardian's responsibility to make arrangements for assignments with the teacher prior to such absence, understanding that many assignments can only be made up after returning to school. In all absentee cases, class assignments must be completed within the specified time frame for the student to receive credit. 4. Inadequate and unacceptable academic progress due to absences may result in loss of credit and/or retention in the current grade, if appropriate to that particular student; 5. Excused absences are those which are verified by the parent/legal guardian or school official and should be verified before the absence or within 2 school days after the absence. 6. Documented notifications will be sent to parents from the school when a child has accrued 4, 7 and 10 absences in a grading period.

Absences and Leaving Early

Your child's attendance is crucial to their success at school. If your student must be absent, please enter the absence in Skyward Family Access before 9:00 am, call the office before 9:00 am at 664-8998, or email our registrar, Jaclyn Adams, at jadams@cdaschools.org. For your child's safety the office staff calls the families of all unverified absences. Please help reduce the number of calls we need to make each day by notifying the office in advance. To minimize interruptions to the classroom during the school day, please schedule appointments outside school hours.

ALL students must sign in at the office and obtain an **admit to class** pass if they arrive tardy to school.

To protect the learning environment, we also ask that parents do not pick up students early unless absolutely necessary. If your child must leave before the school day ends, please give yourself a few extra minutes to sign your child out at our office, we will call them down when you arrive at the front office.

Medication (Policy 561/3510)

School personnel are not to administer any medication to students without written instructions from a primary care provider. Medication must be in the original container with matching instructions on a signed authorization form on file in the office. Notes from parents are not sufficient. Parents or legal guardians are welcome to come to the office, and the child will be called from class to take the medication from the parent. Over the counter medication may be administered only if the parent comes to the office prior to giving medication and signs a permission/release form.

Skyward Student Management System

The Coeur d'Alene School District has implemented the Skyward Student Management System. One feature is Family Access which provides parents or guardians with access to real-time student information. Parents are able to check grades, monitor attendance, and email teachers. Another feature is the message center which allows teachers and administrators to post information to notify parents about their child, school, or upcoming events. Allows parents/guardians to access student information electronically. Follow your student's attendance, grades, fee management, etc. all on-line. Family Access is also where you sign up for and select options for emergency notifications through Skylert.

Need to Leave a Message?

In order to preserve instructional time, we encourage you to use email. If you need to leave a time sensitive message, such as a change in after school arrangements for a student, please call and speak directly with the office before 3:00 pm. **Please note: we cannot ensure the delivery of messages to students called in after 3:00 pm**

Change of Address/Phone Number

Please make sure we have your current contact information so we can contact you in the event of an emergency, update, or teacher communication. This information can be changed online by logging into Skyward. If you have forgotten your pass-word, or need extra assistance, call the front office at 208-664-8998.

Online Payments/e-Funds

E-Funds for Schools offers parents the convenience of paying online for school lunches, School Plus, yearbook orders, donations and much more. You can pay for multiple students at multiple schools with any internet connected device. Just click on the "Online Payment" icon at the top of our web page or click on "District Links" in Family Access in the top right corner. There is also a tutorial on the district website

www.cdaschools.org. Both debit & credit card payments are accepted through e-funds for schools. There is a small convenience fee per credit card transaction but no fee if you use your checking route number.

Cold Weather/Snow Days

Please prepare your child for current weather/temperature conditions. If a child is well enough to come to school, they are well enough to go outside. Notes requesting a student stay in at recess will not be accepted unless special arrangements have been made with the principal. Some winters result in canceling school due to weather conditions. Please tune in to radio (KVNI-1080 AM), your local TV stations KREM-2, KXLY-4 or KHQ-6, or the district website cdaschools.org for closure information. If school sponsored events are scheduled on an emergency closure day, all events are canceled.

Emergency (Policy 514)

The Coeur d'Alene School District has a School Emergency Response Plan (SERP) that covers safety and security, including procedures for handling all types of emergencies that might occur in and near our school and community. Potential emergencies include weather conditions that cause the school to close such as blizzards, ice storms or earthquakes, as well as neighborhood environmental conditions such as nearby hazardous material spills. Other types of situations covered by the plan include fires in or near the school, threats within or near the school or suspicious people on school grounds. SERP is designed to ensure the safety of children within our school and the safe evacuation of children, if necessary. You should be aware of certain areas of our emergency planning to ensure that the district responds appropriately in the event of a school emergency. In the event that you become aware of a school emergency, please take note of the following: The district's Skylert emergency notification system will notify you in the event of a school emergency. This notification system will automatically send you a text, phone message, or email regarding emergency procedures. Messages may be sent to individual school populations or to the entire district. Please be sure to verify your Skylert information during your online registration through Family Access. You must choose to opt-in for text messaging. Tune into your local media. We utilize outreach to television and radio stations. The media will be notified by school personnel with information to relay to parents. Bring identification when you go to pick up your child. The evacuation and release plan requires that children only be released to parents or someone listed on the child's emergency contact list with proper photo identification. Update your child's emergency contact form as necessary. If you are unable to pick up your child, he/she can only be released to someone on your emergency contact form.

Birthday/Holiday Treats and Deliveries

Due to possible allergies and potential disruption to instructional time we ask that parents **please communicate in advance** with his/her teacher before providing birthday treats for the class. In addition, **we ask that deliveries of holiday flower arrangements, balloons, candy bouquets, etc. not be sent to the school.** Any such deliveries will be held in the office until the end of the school day for the student to pick up.

Field Trips

During the school year there are times when our instructional program must be taken out of the classroom and into the community.

When you first registered your student in our district, you were asked to agree to or to deny permission for your child to participate in school field trips. Unless you have updated this information, prior authorization is assumed. Through published calendars, newsletters and special notes, we will inform you of the time/date of each field trip prior to the event. This will give you the opportunity to be in touch with your child's teacher if you have questions or decide your child should not participate.

Lost and Found

Our lost and found grows quickly. Please check it frequently for lost or missing items. **Please label all your student's items.** It is donated 3 times a year after conferences and at the end of the year

Safety and Security

Visiting Our School

Our district uses the Raptor Tracking System to help protect your children. District policy requires that all visitors entering a school during school hours are screened with this program. This applies to our parents, volunteers and community visitors. The Raptor software uses information from the visitor's driver's licenses or state ID to check the sex offender database from all 50 states, including Idaho, and saving their names in the data system.

Please follow these procedures:

- Be ready to provide a driver's license at the front office.
- Sign in and receive a visitor's badge. Remember to sign out and return the badge when you leave.
- Once inside our school, never open the doors to admit another visitor. Thank you for cooperating and supporting the safety of our students, staff, and families.

Resources and Communications

Our school website <http://cdaschools.org/skyway> is the best resource for lunch menus, calendars, School Plus registration, t-shirt & yearbook order forms, cross-country permission slips and so much more. Using our website keeps you informed, reduces printing costs for the school, and is more environmentally friendly. Your child's teacher may also post their parent letter or other information on the website, so please check it often.

Email is our primary tool for communication. Emails from our office &/or teachers go out weekly, if you are not receiving them please let us know. Having your accurate email address in our system is vital to our communication with you. If you do not have access to the internet, please let the office know.

Volunteering in Your Child's Classroom

All volunteers are required to complete and abide by the district's "Confidentiality Agreement". Teachers will request volunteer help after a few weeks to allow their classes to settle into a routine. Please refer to the parent letter from your child's teacher to see when he/she is ready for volunteers. During this first week of school, the teachers will go over the expectations of school behavior in all common areas (hallways, cafeteria, playground, etc.) You can find these expectations on our website. Please go over them with your child to help reinforce our expectations for a safe and caring environment.

School Drop Off/Pick up Schedule

Drop off begins Mon 9:40, T-F 8:40

- Pickup Lane Option: The lane closest to the curb is a CONTINUALLY MOVING curbside pickup lane.
- Cars must continue moving forward as space along the curb becomes available.

- Do not block the crosswalks.
- Do not leave your vehicle.
- If the pickup lane is full you must pull into a parking space.

At the curb students should:

- Wait behind the yellow line.
- Watch for parents. (This is not play time for children.)
- Load using a curbside passenger door only.

Passing/Exit Lane: The lane furthest from the curb is for passing & exiting only.

- No pickup is allowed from this lane.

Parking Option: Park your car, use the crosswalk and escort your child back to your car.

- Do not block parking spaces by waiting or double parking between parking lanes.

Crosswalks:

- For safety, two designated crosswalks are staffed within the parking lot after school.
- Parents and students must cross only at designated crosswalks.
 - *Parents must escort their child from the sidewalk to the parking lot.*
 - Bus Loop/Staff Parking Area: This is the area indicated in Red on the map. For safety reasons, there is absolutely **NO PARENT PARKING, NO DROP-OFF OR PICK-UP!**
- Law enforcement will be strictly enforcing this policy and you may be ticketed!
- **DRIVE SLOWLY, REFRAIN FROM USING YOUR CELL PHONE, AND MOST OF ALL...PLEASE BE PATIENT!**
- Suggestions & Tips:
 - Use the parking option. If you arrive early, you might back in. It's easier to pull out and you can see well.
 - Carpool. It reduces the number of cars in the parking lot and it saves gas.

Plan ahead. Let your child know where to meet you.

Behavior Expectations

Behavior (Policy 539)

Students are expected to conduct themselves in such a manner as not to interfere with the orderly operation of the educational program.

Dress Code (Policy 517/3260)

It is the policy of this school district that students shall dress in a manner which is appropriate for an effective educational environment. While recognizing the importance of allowing students to express their individuality through their attire, the school is responsible for ensuring that student dress is conducive to a positive and respectful environment for all students. All students are, therefore, required to dress in a manner that promotes a safe and healthy school environment, and is not disruptive of the educational climate and process. The building administrator or designee may identify additional dress code requirements to address specific needs within a building or for a specific activity. Below are to excerpts from the dress code that are frequent concerns within elementary schools:

Shirts/Blouses/Tops/T-shirts – Blouses/shirts should be constructed so that the tops of the shoulders are covered with no less than a 2 ½ inch strap (e.g. no halter tops, strapless tops, spaghetti straps, or bare shoulder tops of any type will be allowed). Blouses/shirts that expose any portion of the waist, hips, midriff or breast are not allowed. (If you raise your arms to shoulder level and the stomach shows, the top is unacceptable.) Other blouses/shirts that are not appropriate for school include, but are not limited to, low cut, breast revealing, see through, backless, or tube tops. Undergarments (bras, tank undershirts, etc.) will not be visible. Bedroom clothing, pajamas or sleepwear is not allowed.

Shorts/skirts/Pants – All shorts and skirts must be no shorter than mid-thigh from the bottom of the knee. Nylon tights, biker pants or boxer shorts worn as an outer garment are strictly prohibited. Slits in the skirts cannot be above mid-thigh. Waistline of shorts/skirts/pants must be on or above the hips with no underwear showing. Bedroom clothing, pajamas or sleepwear is not allowed. All belts must be properly fastened around the waist. The belt will not be excessive in length and will not be hanging from either side of the body.

Our school board has adopted a comprehensive dress code. Following are some highlights from the full policy.

For more information, see the District Handbook for Parents and Students, Section xxx, Policy 3255

Electronic Devices/Cell Phones (Policy 3265)

Students in grades K-5 may elect to participate in the Coeur d' Alene School District Bring Your Own Device (BYO D) program. Grade K-5 students may possess PEDs in school, on school property, during after-school activities (e.g. extra-curricular activities) and at school-related functions, provided that during school hours and on school vehicles the PEDs are powered completely off (i.e., not just placed into vibrate/silent mode unless being used for an educational or instructional purpose with teacher permission. Students are responsible for the safety and security of their PED. The District will assume no responsibility in any circumstance for the loss/destruction/damage or theft of PED. Students will be responsible for locating such lost/stolen items.
