

01/28/22 - Weekly Board Notes

Mike Nelson - District Spelling Bee Winners:

We're pleased to recognize our students who participated in the District Spelling Bee on Wednesday. We had around 250 students, parents, and guardians attend this year's event at the Coeur d'Alene Inn. Now, our winners and alternates will now receive additional information about the regional Bee on February 12th at North Idaho College. We also have time on the March Board meeting agenda to introduce these students and re-present their plaques.
