Mike Nelson - Civics Exam Results For Fall:

150 students took the District's Civics Exam during our fall assessment window with 70% of students passing on their first attempt of the school year. Of particular excitement was the 96% (26/27) pass rate with **Mr. Donal Doering** at Venture High School. This [data studio file shows](#) the passage rate by teacher, a distribution of scores, and the most commonly missed questions in this administration.

Students passing the exam receive an educational milestone on their transcript and official records which indicates that they have met the statewide graduation requirement.

Mike Nelson - Elementary Parent Communication About Test Results:

Family reports for IStation Reading and i-Ready Mathematics have been printed and delivered to schools so that they can be taken home next week. An [email newsletter](#) has also been sent to help parents decipher the reports and build a connection between assessment and instruction. As of the end of the day on Wednesday, the newsletter has received over 4500 views.
