12/11/2020 - Weekly Board Notes

Nichole Piekarski - Vault Testing:

Free voluntary COVID testing for students and staff may soon be available in Coeur d'Alene Public Schools. We expect to be able to provide staff and families with information about the free voluntary testing protocols, COVID-19 tests, and contact tracing in the coming weeks. The Saliva-based PCR (Rutgers Test) - IBX – Infinity Biologix tests and analysis have been prepaid by the Idaho Department of Health and Welfare. VAULT provides the standing orders. A school District employee will witness the sample collection. The UPS shipping is prepaid. Parents and staff will receive their reports by email or can access a patient portal to receive their own private results. Tests are free, quick, easy, and personal information will remain confidential. For more information see Vault Health Onsite Training Video.

SEE ATTACHED DOCUMENT.

Nichole Piekarski - Vaccine Information

Idaho education personnel are expected to have access to COVID vaccines with a 1b priority designation. It is possible that Coeur d'Alene Schools may schedule vaccine clinics in partnership with Panhandle Health for school District employees as soon as mid-January.

Mike Nelson - Follow-Up Civics Exam Milestone Attainment:

From the request of **Trustee Morrisroe**, I'm pleased to provide a table of current student enrollments and the percentage with a civics milestone, indicating a passing score on our exam. Once a student has a singular passing score, they "bank" the result and no longer need to take the exam. These milestones are printed on District transcripts.

If you'd like to review results for the current school year, the visualization is live and automatically updated with a student submission. The link is: https://datastudio.google.com/reporting/8011e63f-ea32-4eac-9bda-e01422eeb283

SEE ATTACHED DOCUMENT.

Kate Orozco - Elementary Update/Student Advisory Group (SAG):
SEE ATTACHED DOCUMENT.
Frank Maier - Consideration For Additional Day(s) For Special Education Secondary Students:
Special education case managers will begin looking at secondary students with IEPs who are currently following the hybrid learning model. IEP teams will look at each student individually and determine through the IEP team whether or not a student would benefit from additional days of in-person learning. Two of the key areas we are looking at for each student include a lack of progress on individualized goals along with multiple failing grades. We are looking to begin this at the start of the second semester while we continue to finalize our procedure and guiding document.
End Of The Week 12-11-20 - COVID Activity:
SEE ATTACHED (2) DOCUMENTS.
