# 2/12/21 - Weekly Board Notes

## **Katie Graupman - eSchool Credits For High School Students:**

### Mike Nelson - College Board Pathway - Additional Data:

At the February meeting of the Board of Trustees, I provided data in aggregate for students taking each of the assessments in the College Board's preparedness pathway - the PSAT 8/9 in grade 09, the PSAT/NMSQT in grades 10 and 11, and the SAT in order to meet the statewide college entrance exam requirement. This exam is usually taken in the spring of the Junior year, however many students in the class of 2021 took the exam during the COVID make-up date in October of the current school year.

The results below provide further elaboration upon these results:

#### **Kate Keinert - IEA Children's Fund:**

District Office collected money to submit to the IEA Children's Fund. Member teachers can access this money with as little effort as an email to help support their students in need. I myself have purchased students shoes, glasses, and paid electricity bills through this fund. Teachers often see what no one else sees, and the Children's Fund gives them the means to take care of kids' needs so that they can attend school.

I'm so happy to share that our District Office staff collected \$500 for the Fund!

#### Nichole Piekarski - 2-11-21 COVID Activity:

**Building Covid Tracker:** We have fewer cases of COVID since the beginning of 2021. The new guidelines on quarantine are keeping more students in the class.

**Dashboard:** We are seeing an increase in cases at the 9-12 grade levels this week.

**Panhandle Community Data:** Kootenai County and the Panhandle are experiencing a plateau in COVID activity related to hospitalizations and cases per 100,000. The percent positivity is better than previously posted but is two weeks old.
