**Mike Nelson - Mobility Rate Through January:**

Our [District mobility rate through the end of the first semester](#) is now available. As a reminder, the rate is calculated by adding both enrollments/withdrawals divided by October enrollment. We do have some “spikes” in the data in certain grade levels, but the current rate can be seen in the fifth column. As a point of reference, District mobility rate through the end of the 2018-2019 school year is available on the system performance page of MyCDASchools [and directly here](#).

**SEE ATTACHED DOCUMENTS.**

**Scott Maben - Timberwolf Times Block Schedule Interviews:**

The Timberwolf Times student newspaper interviewed a number of students for their opinion on the block schedule and how they like it. [Here's what they had to say](#).
