

## 5/7/21 - Weekly Board Notes

### **Kelly Niccolls - Albertson's Foundation Proposal:**

Dear Board of Trustees,

I wanted to let you know that we are in a proposal process with the Albertson's Foundation for resource funding for our K-12 Magnet School. We are specifically proposing support for professional development, mastery transcript, and platform support, in addition to facility resources, furniture, and maker space supplies. The mastery transcript and platform resources are through One Stone, an independent school in Boise, and I have links below for your reference. We are in the early stages of the proposal and are excited that we are in consideration to access funding for these important resources.
