Kate Keinert - #CDAReads Summer 2020:

Given the pandemic, we've had to modify #CDAReads summer reading program this year. We regret we won't be able to hold the "community" events as we have in the past, but we are pleased to be able to offer summer reading each Wednesday for students attending Boys n' Girls Club and Summer Plus onsite at the Lakes Middle School, Skyway, and Ramsey locations. We've partnered with the CDA Library to provide readers and STEM demonstrations for those students, as well as high-interest books they get to keep. On Mondays, we've invited targeted K-3 students who would benefit from summer reading to join us at Fernan Elementary in the yard (invitation attached). We'll have sack lunches, free books, and guest readers sharing stories with the students. Hayden Library will provide STEM demonstrations and take-home STEM activities for the students as well. We are working with families and the wonderful **Jill Hill** to arrange for bussing as needed--all following guidelines set forth to protect against the spread of Covid 19.

Hayden Library kicks off the summer of reading online Monday, June 15th with author, **Kelly Milner Halls** (flyer attached), and we'll run our Mon/Wed programs beginning June 22 through July 29th.
