

# WEEKLY BOARD NOTES

**September 8, 2023**

## **Update to Trustees Regarding SB1100 and Board Policy 3081**

As you are aware, the US District Court has blocked SB1100, which required students to use restroom facilities that correspond with their gender. The lawsuit, *Roe v Critchfield*, claims the law violates the Equal Protection and Due Process Clauses of the 14<sup>th</sup> Amendment and Title IX of the Education Amendments of 1972 by singling out transgender youth for discriminatory treatment.

As you are aware, the Board adopted Board Policy 3081 in May 2023, prior to SB1100 becoming law. While the injunction remains in place, the District intends to offer unisex bathrooms to students seeking accommodation for gender specific bathroom requests. All secondary schools will have a minimum of 2 identified bathrooms (generally single room bathrooms) that are located throughout the school and are gender neutral, in addition to the traditional bathroom facilities. Any student who desires not to utilize the traditional bathroom facilities that correspond to their gender listed on their birth certificate may utilize the unisex bathrooms.

We will closely monitor this case throughout the next several months.
