Re: Civics Milestones Attainment by Building

Our second window for the civics assessment closed at the end of January. While we're presenting results of this assessment to you at the March, 2021 Board meeting, Trustee Morrisroe (November) had asked for a regular reporting of the percentage of students who have attained their civics milestone with a passing score.

Our next window opens for students in grades 07-12 in the month of March.

School	Student Count (Grades 07-12)	Students with CIVICS Milestone	Percentage with Milestone
Canfield Middle School	491	2	0.4%
Lakes Middle School	551	93	16.9%
Woodland Middle School	740	185	25.0%
Coeur d'Alene High School	1892	435	23.0%
Lake City High School	1490	548	36.8%

CDA Juvenile Detention Center	14	0	0.0%
Coeur d'Alene eSchool	423	0	0.0%

If you'd like to see any additional details, I'll be glad to be of assistance.
