

Appendix: Fall Athletics and Extracurricular Plan

Key Safety Steps:

- Pre-practice health screening
- Mask Requirements
- 6ft distance of all players at all possible times
- Athletes & Coaches on the sidelines or bench should remain 6 feet apart in practices and during pregame, halftime, and post-game discussions.
- Players have no locker access, with strict distancing requirements when using the locker room (for changing only). Athletes bring own water bottle and needed equipment
- All possible team meetings/film sessions happen remotely
- Coaches will strictly limit practice sessions containing any close physical contact
- Follow IHSAA cleaning and sanitation guidelines

POD Practice Protocols & Responsibilities

Practice Protocol Overview:

- Follow ISHAA practice rules
- Conduct Pre-practice health screening on ALL coaches and athletes per district guidelines. Any person with symptoms of COVID-19 should not be allowed to participate and should contact his or her primary care provider or other appropriate health-care professional.
- Hand sanitizer should be available
- Coaches must wear mask at all times
- Athletes must wear mask when entering and exiting the fields
- Discourage spitting
- Athletes must wear mask and be socially distanced during practice except during High Intensity Training Period
- Athletes engaged in [high intensity activity](#) may not be able to wear a mask if it causes difficulty breathing. If unable to wear a mask, consider conducting the activity in a location with greater ventilation and air exchange (for instance, outdoors versus indoors) and where it is possible to maintain physical distance from others.

- Athletes may participate in [game simulated activities](#) or conditioning for up to two, 7 minute periods, per half-hour, per player where mask and social distancing protocol are NOT required. Athletes must bring their own water bottle. Water bottles cannot be shared. Hydration stations (water cows, water trough, water fountains, etc.) cannot be utilized. No touch bottle filling stations are acceptable.
- Follow IHSAA cleaning and sanitation guidelines

Mask Requirement:

- Use of Masks or cloth facial coverings by coaches and athletes should be worn *at all times*.
- Athletes and Coaches *must* wear masks while in practice activities
- Athletes and Coaches *must* wear masks while riding to and from games on busses
- Masks *must* remain/be put on and worn to and from the training field allocation area and parking lot

Waivers:

- CDA Schools Participation in Extracurricular Activities Waiver Form

Transportation Plan:

- Preferred transit is personal transportation in accordance with mask mandates.
- Guidelines specific to Transportation in the State of Idaho Department of Education Reopening plan: [Social Distancing Options: School Bus](#)
- Limit transportation to small groups of students from same team
- Provide and recommend hand sanitizer for students and bus drivers.
- Provide and require face coverings or masks for bus drivers; require students to wear face coverings or masks.
- Sanitize buses between groups of students.

Screen/Exposure Response Plans

- [CDA Schools Response to COVID Cases before, during and after](#)
- [Daily Home Screening for Students](#)
- [Positive Test/Exposure Plan](#)
- [COVID-19 Reporting Form](#)
- [Return To Participation Plan](#)

High Intensity Training:

High intensity training is points of activity that includes strenuous aerobic capacity through intense bursts of heart and body work and sustained activity at elevated heart rate

Game Simulation Activities:

These are moments in situation line ups and play call/strategy that mimic real game rules, procedures and contact.
