Registration for the 2022-2023 school year

On-line registration for the next school year will be available to our returning students again this year. You will receive an email when that opens up. For those who cannot access the on-line registration in Skyward, Winton Elementary will confirm those students on **Thursday, August 18th, 12-6 PM. We need to hear from everyone who plans on attending Winton Elementary in the fall.**

- **Every family will need to provide proof of residence this year. This must be a current utility bill or rental or lease agreement.**
- **No child will be actively enrolled until we have been contacted by you either through on-line registration or by coming to the school on the 18th of August.**

Students who are new to our district may register on line at www.cdaschools.org or by coming to the zoned school on Aug. 18th.
