

Keep sidewalks clear for kids on their way to school this winter!

The property owner of any home or business is responsible for all sidewalks adjacent to such. The sidewalks must be kept clear of snow and ice at all times during winter months and as soon as practical after each snowfall when snow accumulates.

**Remind your neighbors!**

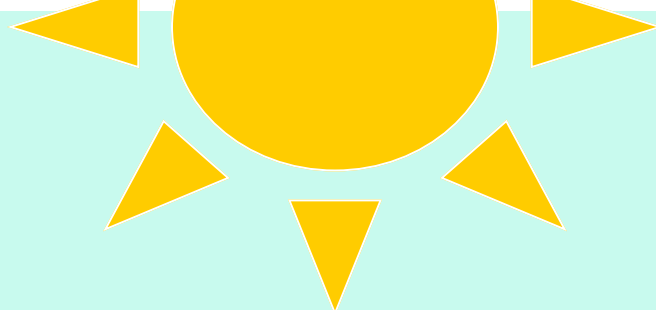

Individuals who are physically unable to clear the snow can contact the following entities for assistance:

**Elder Help of North Idaho**

(208) 209-1143 or (208) 691-9727

**Lake City Senior Center**

(208) 667-4628

For more information on Safe Routes to School or other Let's Move! CDA initiatives, contact  
**Program Manager**  
**Erin Whitehead**

# Talking to Your Child Safe Sidewalks

Cover your head and other parts to stay warm. Dress in layers, and don't forget the mittens and hat—you lose 35% of your body heat through your head!

Pay extra attention to your feet. Wear warm socks with room for wiggling. Lace up walking shoes with plenty of traction and walk 'like a penguin' to maintain a center of gravity.

Wear bright or reflective clothing and stay visible. With fewer daylight hours and cloudy conditions. It is important to put on a high-visibility outer layer. Assume drivers can't see you and proceed with caution.

Share the way. Be mindful of other walkers, runners, and cyclists. Stay to the right and listen for bells and audible warnings. Keep one earbud out if you are wearing headphones.
