

# Dalton's Top 10 for DOGS

1. Order a WatchDOG shirt from the website at least a week in advance of your day if you want to be “in uniform”. Shirt costs \$15 + shipping.  
<https://dadsofgreatstudents.com/general/cotton-short-sleeve-t-shirt.html>
2. Complete a Raptor check with your driver’s license at the office to begin your day. We will also snap a photo of you and your child/ren for our WatchDOG bulletin board.
3. Each weekday has a set schedule for WatchDOGS so that every classroom has help over the week. You will not be in your child’s classroom all day, but you will see him/her plenty at the beginning and end of the day; at recesses; and during lunchtime. Please follow the set schedule for the day.
4. Dress comfortably in layers and good shoes. You will be inside and outside--rain, snow, or shine.
5. You will be invited to share a joke or some words of wisdom or encouragement on announcements at the beginning of the day *if you so choose*. Your child/ren will then introduce you.
6. You are a role model and guest at the school. Please be courteous during your time here. You are here to assist, not interrupt.
7. Dalton Dragons will likely call you, “WatchDOG.”
8. Please use the staff restrooms near the office instead of the student ones in the hallways.
9. Have fun playing with students on the playground. In games, they often need a referee or someone to help them focus more on fun and less on over-the-top competition.
10. For safety reasons, refrain from giving underdogs on swings.
