

# Giving Back THIS HOLIDAY SEASON

As in years past, our school will help several worthy causes this holiday season. Our classrooms have teamed up with University of Idaho's Eat Smart Idaho program to provide healthy food baskets for local families in need over our 2-week Christmas break. **Classroom groups** are in charge of bringing in foods to prepare one healthy recipe pack. If you are able and willing to donate, please bring in as many of the following foods as you can. Our goal is to make this recipe for 15 of our families in need.

**5<sup>th</sup> Grade Recipe Pack: Pizza Party!** Making pizzas together can be a fun family event! Add in some healthier options and you have a fantastic dinner.

Each pack will contain...

- Lower sodium brand pizza sauce, see photo for 2 choices
- Canned pineapple, in 100% Juice
- Turkey pepperoni, much lower in fat than regular pepperoni

These brands are lower in sodium than most
