

# Child Care for Kindergarten Students

School PLUS is a reliable, quality before and after school child care program available to children in kindergarten through fifth grade starting in the fall. Our program is self supporting through parent fees.

While they are in our care, children will be involved in a rich, stimulating environment. They will enjoy an active agenda of developmentally appropriate activities which include arts and crafts, sports, board games, special events, field trips, homework time, quiet low-key and high energy release activities. We encourage interests and skills children will carry into adulthood.

## Kinder PLUS Site

The Church of the Nazarene. Open from 6:45 am — 6:00 pm, Monday through Friday.

## CHILD FOR KINDERGARTENERS CARE

Our Kinder PLUS program is designed to meet the needs of parents who have students attending 1/2 day kindergarten. This program is located in the Church of the Nazarene on 4000 N. 4th Street. Students are transported mid-day to the site or to their neighborhood school by a school district bus. No meals are prepared on site. Breakfast and lunch is the responsibility of the parents. A light pm snack is provided. Hours of operation are 6:45 am to 6:00 p.m. Child care is available at the child's neighborhood school before morning kindergarten class. It is also available in the afternoons at the neighborhood school for students who attend pm kindergarten. Please refer to our Kinder PLUS flyer or contact us at 769-0700 for more information.
