Child Sick? Please call 664-5844 and let us know. November 2016

Mr. K's Corner:

Dear Parent/Guardian,

It's that time of the year for parent-teacher conferences. During this time, teachers will be sharing the academic and behavior progress of your child. Please be prepared when attending your child's conferences. Bring to the conference any questions that you have that can be answered by your child's teacher. Ask the teacher how you can best support your child at home. There are a lot of online learning opportunities that we have available to engage students in the home environment.

Lastly, all of us at Borah would like to wish you and your family a relaxing Thanksgiving. We look forward to students returning back to school on Monday, November 28th.

Rick

Saturday, December 12th
Come do your holiday shopping!

"Tap into the Flavors of Autumn"

Fall brings beautiful colors and crisp, cool mornings. We can also look forward to a wonderful variety of fall produce. Beets, known for their reddish-purple color, are high in heart healthy nutrients and are delicious in salads or roasted. For a tasty side dish high in vitamins A and C, try roasted Brussels sprouts. Ask your student if they tried Roasted Brussels Sprouts at school during the October Harvest of the Month event! Cranberries peak in quality in October and November. They are brimming in vital antioxidants like vitamin C and have been found to have amazing anti-inflammatory characteristics. To find delicious recipes for fall produce and more on healthy eating, go to the Nutrition Services department page at www.cdaschools.org.

Christmas Program

Monday, December 12th

7:00 p.m.

Kiwanis Free Throw Contest

3rd through 5th graders
