## Mr. K's Corner:

Dear Parent/Guardian,

I would like to say how honored we are as a staff to have the opportunity to educate your child at Borah Elementary this year. The year is off to a great start! This week, students- new and returning, will be learning the school's policies, procedures, and expectations. Benchmark assessments will be administered in the next few weeks. The results of the student assessments will give our teaching staff the instructional data to meet students' needs. This year we would like to see more volunteers in our classrooms. If you have time during the school day and would like to volunteer in classrooms, please let us know. Thank you all for helping kick off a fantastic start! If you ever have any questions about anything taking place at Borah, we would love to hear from you.

*Rick*
