Guiding Principles

Every student has a basic right to attend school. His or her primary purpose and responsibility in attending school is to engage in learning; and his or her cooperation and dedication is fundamental to obtaining a quality education.

The Board of Trustees seeks to protect the rights of each student and promote the welfare of the student body. These student policies are intended to facilitate a quality experience for students in all activities related to the educational program. Each student should have the experiences that will enable him or her to become a useful and productive citizen.

With respect to any educational programs, activities or the delivery of services, (e.g., instructional materials and equipment, facilities, course offerings, guidance and counseling services, food service, transportation, athletics, and all other co/extra-curricular activities) the District assures that its educational resources and opportunities are made available on an equal basis to all students under its jurisdiction without regard to race, color, religion, sex, national origin, or disability. The District provides equal access to the Boy Scouts and other designated youth groups.

Inquiries regarding compliance with this non-discrimination policy may be directed to the Director of Special Services or Director of Human Resources at the District Administrative Center, 1400 N. Northwood Center Ct., Coeur d'Alene, Idaho 83814-2472, (208) 664-8241.
