III. RELEASE AND WAIVER

(Sign and complete this **section only if your child will be unattended** at his/her bus stop, see options "d" listed above.)

I am deviating from the district transportation policy recommending the presence of an adult (or responsible sibling) at my kindergarten bus drop off because I have made other arrangements for my child's safety. Further, I release and hold harmless the school district and any of its employees from any liability for claims or injuries that may result if my child is dropped off at a bus stop without the presence of an adult or other responsible person.

If your Kindergarten child needs to ride a bus to a different destination on an occasional basis a signed note clearly indicating the destination should be submitted to the school office the day the alternate drop off is needed.

NOTE: There will be NO MID-DAY TRANSPORTATION FOR THE FIRST 2 WEEKS of school while the final bus routes are being established. Please note that as new students register, the pick-up/drop off times may slightly change. Arrange for your child to be picked up or dropped off at mid-day until bus routes are determined.

Once the schedule is set, you will be notified of your child's bus stop. *If you have any questions regarding bus transportation, please call Transportation Director, Jill Hill at 667-3451.*
