Spanish 202	4	Planned	Sp 25	Elective
Math 144	2	Planned	Sp 25	1/2 Senior Math
<b>Total Credits (60 college credits)</b>	<b>62</b>			

**Student Name:**

Notes/Updates	Date

**Please Note:** The Advance Opportunity Program provided by the state allots \$4,125 to each student, this money will not cover the cost of an AA. The remaining amount that will be owed to a college will be dependent on how many credits, approved exams such as AP exams, approved workforce training programs, and overload courses a student utilizes this

money for. Dual Credit Courses currently run \$75 per credit, but are always subject to change. It is wise to track this information, stay up to date on the information, and always ask questions. Please also refer to the participation form needing to be signed to participate in this program for the conditions and provisions of the program.
