

November 9, 2018

Hello,

We have been very busy working on inventions as we prepare for Invent Idaho. I am attaching a form for you to sign so your child can enter the competition. We will be making display boards in class to go with the inventions. Hopefully your child will be able to complete everything here at school. Next Friday, the students have the opportunity to present their inventions to a group of experts. We are calling it a *Shark Tank* – like the show on television. This group will give your child advice on how to improve his/her invention before it is presented at Invent Idaho. If you would like to come and watch the presentation, you are more than welcome. Please see the back of this letter for more details.

Parent/teacher conferences are right around the corner. I sent information on how to sign up for conferences home on Wednesday. Please check your child's backpack if you didn't see this paperwork. The information was also sent home through e-mail today. We will conference after school on Monday, November 19 and there will be no school on Tuesday, November 20 as we will be conferencing then as well. I also opened some time slots after school next week. Let me know if none of these times work. I am sure we can work out some way to conference. ☺ I look forward to visiting with you!

There are no spelling words for next week. We will continue working on multiplication in math and, of course, we'll be perfecting our speeches for the upcoming *Shark Tank!*

Please check out the UPCOMING EVENTS section of this letter.

Have a wonderful week!

UPCOMING EVENTS

Friday, November 9 TONIGHT!

No School

Parent/Teacher Conferences

Look for sign-up information about conferences
next week!

Wednesday, Nov. 21 – Friday, Nov. 23

NO SCHOOL

Thanksgiving Break

Please consider helping our PTO this year!

Meetings are held the first Tuesday of each
month at 5:15p.m. in the Borah Library.

The next meeting is Tuesday, December 4,
2018. We hope to see you there!

Your child passed the following multiplication one-minute test:

___ 0's & 1's ___ 10's ___ 5's ___ 2's ___ 4's ___ 3's ___ 6's ___ 8's ___ 7's ___ 9's ___ 11's

___ 12's ___ Multiplication Mad Minute (mixed facts 0 - 9)

All students should pass all these tests by the end of the year.

SHARK TANK

Friday, November 16, 2018

10:00 a.m. – 11:30 a.m.

Our Classroom – Room 22

You are cordially invited to watch your child present his/her invention idea to a panel of experts. The experts will offer advice on how to improve inventions before the Invent Idaho competition Thursday, December 6.

(Sorry about the short notice. We wanted to have it the week after Thanksgiving but struggled with everyone's schedule.)

If you can't make it, we are planning on videotaping your child in action and we will make sure to share it with you!
