Hello,

It's hard to believe today is the last day of November! Time is whizzing by...

Our class has been very busy making display boards and putting finishing touches on their inventions for the Invent Idaho competition next Thursday, December 6. I hope you will have the opportunity to come and see what they've been up to...

The kids did an EXCELLENT job with their Shark Tank presentations before Thanksgiving break! I am very proud of them! The "sharks" were also very impressed with their presentation skills.

Next week we will start a new unit in Idaho History that becomes our new PBL. I will share more information in next week's letter. We will continue to work on our multiplication unit in math, learn new spelling strategies, and continue learning about thinking strategies. We will also be doing lots of reading, grammar, and writing.

Please keep practicing those pesky multiplication facts and make sure your child is getting in their nightly reading. 😊

Have a great week!

Your child passed the following multiplication one-minute test:

___ **0's & 1's** ___ **10's** ___ **5's** ___ **2's** ___ **4's** ___ **3's** ___ **6's** ___ **8's** ___ **7's** ___ **9's** ___ **11's**

___ **12's** ___ **Multiplication Mad Minute (mixed facts 0 - 9)**

All students should pass all these tests by the end of the year.
