

January 18, 2019

Hello,

I guess we are back into winter? The weather has definitely been unpredictable so far this winter...

We had a busy week! We took a lot of assessments so teachers can be ready for the upcoming report cards. We also continued our journey up the Missouri River and wrote in our journals about our travels. We are learning about food webs and animals native to Idaho in science. We are getting ready to go into "long" division in math.

Next week we only have school Tuesday, Wednesday, and Thursday. Monday is Martin Luther King's birthday and Friday is a workday for teachers to prepare report cards.

Please help your child by making sure he/she is reading for at least 20 minutes every day. A new reading sheet is attached to this letter and due next Friday. Also, please continue practicing multiplication facts!

Have a super week!
