

January 24, 2019

Hello,

I hope everyone enjoyed our two day week this week... We will just have to be extra busy next week!

We will continue our journey with the Lewis and Clark Expedition next week. This journey includes a lot of reading and writing! Our multiplication skills are getting better and most of us are close to mastering double digit by double digit problems. Now we move into division – which has always been my personal favorite to do. ☺ We have a new spelling list – see the back of this letter – and we are also beginning to learn about food webs and food chains as well as animal environments in science.

Please help your child by making sure he/she is reading for at least 20 minutes every day. A new reading sheet is attached to this letter and due next Friday. Also, please continue practicing multiplication facts!

Have a super week!

## UPCOMING EVENTS
