

March 1, 2019

Hello,

It is hard to believe that today is the first day of March – time is certainly marching by – some pun intended...☺

Speaking of marching, we are busily preparing for the upcoming exhibition of learning for our Lewis and Clark unit. I attached the explanation letter last week and it is also on this week’s letter. Be on the lookout for your “formal” invitation on Monday. Also, we will have a pizza party for all 4th graders right after school on the day of the exhibition. There is no need to pick your child up until after the exhibition.

We started learning about fractions this week. So far, it has been pretty painless. ☺

Don’t forget about reading minutes and those pesky multiplication facts!

Please check out the *UPCOMING EVENTS*.

Have a wonderful week!

UPCOMING EVENTS

Friday, March 1

Silverwood Reading Is the Ticket
Reading Logs DUE!!!

Thursday, March 7

Monday, March 25 –

Friday March, 29

NO SCHOOL Spring Break

Your child passed the following multiplication one-minute test:

___ **0's & 1's** ___ **10's** ___ **5's** ___ **2's** ___ **4's** ___ **3's** ___ **6's** ___ **8's** ___ **7's** ___ **9's** ___ **11's**
___ **12's** ___ **Multiplication Mad Minute (mixed facts 0 - 9)**

All students should pass all these tests by the end of the year.

4th Grade Exhibition Night March 13, 2019

Borah 4th grade students will be hosting an exhibition of their learning on Wednesday, March 13, 2019 beginning promptly at 5:00 p.m. We will also have a rehearsal at 2:20 p.m. We are having a pizza party right after school for the students. We are hoping they can just stay from 3:30 to 5:00 so we have plenty of time to eat and make sure everything is ready to go.

Exhibitions are formal presentations from students in our classes to demonstrate their knowledge and understanding, to show progress and offer how their work adds to their academic growth. We believe students have a voice in their education therefore should demonstrate their learning to an authentic audience. This audience will include parents, family members, community members, teachers, district leadership and community leaders. Please join our Borah community to support your child and watch their growth.

As a part of our exhibition students will dress in Lewis & Clark type attire. We are hoping people will be able to find stuff at home that can be altered for our purpose as we don't have quite enough outfits to go around. Please see the attached pictures of the "mountain man" look we are trying to achieve. Some items that can be very helpful include – but are not limited to: adult size shirts in plain brown, khaki green, white, or light red; wide belts, boots, coonskin caps or stuffed animals that can be dissected to make caps; tricorn hats; watch caps; stove pipe hats; floppy hats... Maybe some of you have ideas we haven't even considered.

We are doing the exhibition in place of parent/teacher conferences. If however, you feel you still need to conference with us we will have available times on Wednesday, March 20th between 4:00 p.m. and 7:30 p.m. and on Thursday, March 21st between 8:30 a.m. and 12:00 p.m.

Please contact us with any questions or concerns.

Sincerely,
