**Tuesday, May 7 – Friday, May 10
ISAT Testing**

Here are some tips to help your child do his/her best on these very important tests:

- Try to be at school every day during the testing window. It is very stressful on students to make up the tests at a different time from the rest of their class.
- Get to bed early every night. A good night's sleep makes for a clear and happy mind.
- Eat breakfast. A nourished body also makes for a clear and happy mind.
- Give lots of hugs and encouragement!

Field Trip to Farragut State Park

Please fill out the form at the bottom of this letter to let us know if you need to order sack lunches from the cafeteria for these field trips or if your child will bring a lunch from home.

Hello,

We survived our first week of ISAT testing! I am very proud how hard all my students are working on their exams! This week we tested language arts skills and next week we test math skills. Please continue to give your child lots of encouragement. These tests are challenging...

We are going to be taking three field trips this month. Friday, May 17 we will travel to Wallace to hike the Pulaski Trail. It is a two mile hike to the top of a mountain. We need some chaperones, so if you are feeling up to the challenge please let me know. We will also be going to Heyburn State Park on Tuesday, May 21 and Farragut State Park on Friday, May 31. Although we will do some walking at both these places, it won't be as strenuous. We need chaperones for those trips as well. Please let me know if you would like to accompany us on any or all of these trips.

Please fill out the form at the bottom of this letter to let me know if you need to order sack lunches from the cafeteria for the upcoming field trips.

Keep reading at home and study those multiplication facts!

Have a fantastic week!
