

News from Room 110

September 22, 2023

Hello,

It is definitely beginning to feel like autumn outside! As the temperatures cool, you might want to send a sweatshirt or light jacket to school with your child. Our classroom can be a bit cool around the edges.

We had another great week of learning! In math we are learning how to measure things in millimeters and centimeters and how to convert from centimeters to millimeters. We are also learning some "tricks" to help with mental math. I am sending home a letter about Reflex math with your child today. Many of you are already familiar with this program. It is an engaging way for kids to practice math facts on their chromebooks or computers at home. Let's all work together to get those facts in the kids' brains so math will be less cumbersome for them!☺

In Idaho history we are working on our Symbols of Idaho unit. Most students have finished their Great Seals of Idaho. If you have a moment ask your child about the symbols on the Great Seal and why they are there. As they finish their seals, students will be taking notes and preparing a slideshow about our other state symbols.

We are reading and writing every day and having some great discussions along the way! Our classroom is a busy place!

Please check out the upcoming events! There are always a LOT of activities happening! Thank you for ALL you do!

Have a wonderful week!

Michele Rutherford

UPCOMING EVENTS:

Monday, September 25

PTA Fall Fundraiser Kickoff

More details to follow

Thursday, September 28

Watch DOG Pizza Night

Multi-Purpose Room 6:30 p.m.

Friday, September 29

If your child wants to be in Kids Corp,
applications are due!

Tuesday, October 17

Picture Day!

More information will be sent home as
this date approaches!

FAQs:

Q: What is Free Friday?

A: In our classroom, students have the opportunity to get work done during class time. They are given due dates for assignments and can take work home to complete. Starting next week we will offer a third option if the other two aren't working. On Friday afternoon, students who have NOT completed all assignments due for that week will have the opportunity to complete assignments in study hall. If a student has completed all assignments he/she will earn an extra recess! We call this *Free Friday*!
