Hello,

It is hard to believe that October is here! The first month of school whizzed by and I'm sure the momentum will continue!

We had another busy week of learning and things are starting to feel more "normal" for us. It always takes a bit to shift gears and start a new school year. 😊

In Idaho history we are working on our Symbols of Idaho unit. We are creating slideshows about our state symbols. I am very proud of my students and the effort they are putting in to create quality products. I encourage you to take a peek at what your child has done so far.

In math we will be wrapping up our metric unit and moving into multiplication and division. In reading and writing we are learning how to determine importance and marry the two skills together. We are also learning how to have productive discussions. Our classroom is a busy place!

We are hearing that parents are feeling overwhelmed with all the email they get from the district. To that end, I am going to move to an every other week parent letter. If there is something pressing I can send an email in the interim. Always feel free to email me with questions etc.

Please check out the upcoming events! There are always a LOT of activities happening! Thank you for ALL you do!

Have a superb week!

Michele Rutherford
